- (4) to depart from or disregard in any material respect the plans or specifications of a construction job without the consent of the owner or their duly authorized representative, and the building official, as defined by the "Florida Building Code";
- (5) to willfully disregard or violate any provisions of Chapter 489, Florida Statutes;
- (6) to misrepresent any fact in an application or supporting papers for any permit required by the Florida Building Code or the Zoning Code of the City;
- (8) to evade or violate any of the provisions of Chapter 10 of the Miami-Dade County Code, which may be evidenced by, but not limited to, one or more of the following:
  - a. aiding or abetting any person not holding a certificate of competency to evade or violate any of the provisions of Chapter 10 of the County Code;
  - b. allowing a certificate to be used by an unauthorized person;
  - c. obtaining a permit for any work in which the certificate holder does not actually supervise, direct and control the construction or installation covered by such permit; or

- d. subcontracting any work to any person, corporation or firm not holding a certificate of competency for work involved in the subcontract;
