Congratulations to Mariana Price who holds the title Administrative Assistant, recipient of the "Employee of the Month Award," for the month of March, 2017.

The nomination was submitted by Javier Betancourt who stated the following:

“Mariana Price is an invaluable member of our team, and a true cheerleader for the City Beautiful. She performs the core administrative duties that she is tasked with exceptionally well, providing for an efficient and effective operation. But it is her ability and willingness to go above and beyond her duties that most impresses her colleagues.

There is hardly a project or program in our department in which Mariana has not played a prominent role. She displays an amazing degree of initiative, regularly and eagerly taking on new and challenging assignments often well-above her pay-grade. Mariana consistently volunteers for nighttime and weekend events without hesitation, participates in City/community programs such as “Race for the Cure” and the City's Wellness Team, spearheading teambuilding activities and camaraderie within our department and performing it all with a positive and professional attitude.

I am so proud of Mariana's many accomplishments, and am confident that she will continue to excel in whatever she puts her mind to. For all these reasons and more, I nominate Mariana Price as the City's Employee of the Month.”
