Title: A Resolution accepting the recommendation of the Public Works Director, upon consultation with the Chief Procurement Officer, to authorize the City Manager and the City Attorney to negotiate and execute a Pre-Construction Services Agreement for the Pre-Construction Phase of the Public Safety Building Project, pursuant to Request for Qualifications (RFQ) 2017.06.YG, in an amount not-to-exceed \$275,000, which will be generally consistent with the terms of the agreement in the attached form, with any modifications the City Manager and City Attorney deem appropriate in the public interest; whereby said approval of a not-to-exceed amount does not indicate a determination of the final contract amount, but rather the City Manager and City Attorney are encouraged to negotiate a lower amount in the best interest of the city and that is fair, competitive, and reasonable.
