A Resolution of the City of Coral Gables, Florida ("City") Electing to Use the Uniform Method of Collecting Non-Ad Valorem Assessments Levied within the Snapper Creek Lakes Security Guard Special Taxing District of the City; stating a need for such levy; providing for the mailing of this resolution, and providing for an effective date.

The City of Coral Gables has agreed to accept, from Miami-Dade County, transfer of this security guard special taxing district as its governing body. While the County has collected the non-ad valorem assessments since the district was created, under Florida law, this hearing is necessary for the City to continue to collect the non-ad valorem assessments for the continued operation of the district.
