2/27/2018	1	City Commission	adopted by Resolution Number	Pass

A Resolution accepting the recommendation of the Procurement Officer to award the Design-Build Services for Fire Station No. 2 Addition/ Renovations and a New Trolley Maintenance Building to Link Construction, Group, Inc., the highest ranked responsive responsible proposer, pursuant to Section 2-763 of the Procurement Code entitled "Contract Award" and Request for Proposals (RFP) 2017.11.LS, and authorizing the City Manager to negotiate and award a final contract in an amount not to exceed the budgeted available funds.

The purpose of this Design-Build Services contract is to design and build a new trolley maintenance facility and to renovate the existing Fire Station No. 2, along with all required associated on-site and off-site improvements.

On August 9, 2017, the Procurement Division of Finance formally advertised, issued, and distributed Design-Build Services for Fire Station No. 2 Addition/ Renovations & A new Trolley Maintenance Building, Request For Qualification (RFQ) 2017.08.LS (Phase 1). Thereafter, on August 15, 2017 a non-mandatory pre-qualification conference was held with fourteen (14) prospective proposers in attendance of the 105 prospective proposers who downloaded the RFQ package from Public Purchase, the City's web based e-Procurement service.

On August 29, 2017, seven (7) firms submitted proposals in response to the RFQ: Critical Path Services, Inc., DiPompeo Construction Corporation, Kaufman Lynn Construction, Lemartec Corporation, Link Construction Group, Inc., MUNILLA Construction Management (MCM) and West Construction, Inc.

On November 2, 2017, seven (7) firms were deemed pre-qualified and invited to participate in the Phase 2, Request for Proposals (RFP) 2017.11.LS Design-Build Services for Fire Station No. 2 Addition/ Renovations & A new Trolley Maintenance Building advertisement on November 9, 2017. On January 12, 2018, four (4) firms submitted proposals in response to the RFP: Critical Path Services, Inc., Link Construction Group, Inc., MUNILLA Construction Management (MCM), and West Construction, Inc.

On January 29, 2018, the Evaluation Committee convened to evaluate the four (4) responsive proposals and concluded the evaluation process on February 5, 2018 with oral presentations from three (3) proposers: Critical Path Services, Inc., Link Construction Group, Inc. and West Construction, Inc. The Evaluation committee determined that Link Construction

Group, Inc., was the highest ranked responsive-responsible proposer. The Evaluation Committee also recommended that should negotiations fail with Link Construction Group, Inc. that negotiations commence with the next highest ranked firm, until a satisfactory agreement and contract amount that is fair, competitive and reasonable is reached.

The Procurement Officer recommends accepting the Evaluation Committee's recommendation to negotiate and award a final contract with Link Construction Group, Inc. for RFP 2017.11.LS Design-Build Services for the Fire Station No. 2 Addition/ Renovations & A New Trolley Maintenance Building project.
