A Resolution authorizing the execution of a Water Agreement between Miami-Dade County (MDC) and the City of Coral Gables for water and sewer services at the new Public Safety Building, 2151 Salzedo Street, Coral Gables, Florida.

Miami-Dade County Water and Sewer Department reviewed the City's proposed plans for the new Public Safety Building and determined there's adequate water supply to serve the new building. They will also receive and dispose sanitary sewage from the City's sewer system, which will include sewage from this City property.

In order to proceed with the new Public Safety Building project, execution of this Agreement is required.
