The purpose of the Trolley Operations Services contract is to hire a qualified transportation company to provide trained and licensed trolley drivers, dispatchers and a supervisor to operate the City owned trolley system.

On March 28, 2017, the Procurement Division of Finance formally advertised, issued, and distributed Trolley Operations Services, RFP 2017.03.MS. On April 7, 2017, a non-mandatory pre-proposal conference was held with three (3) prospective proposers in attendance of the thirty-seven (37) prospective proposers who downloaded the RFP package from Public Purchase, the City's web based e-Procurement service. On May 8, 2017, three (3) proposals were received in response to the Trolley Operations Services, RFP 2017.03.MS from: First Transit, Inc., Limousines of South Florida, Inc., and MV Transportation, Inc.

On May 22, 2017, the Evaluation Committee convened to evaluate the three (3) responsive proposals and determined that MV Transportation, Inc, is the top-ranked responsive and responsible proposer. Therefore, it is the recommendation of the Evaluation Committee to award and negotiate a contract with Trolley Operations Services RFP to MV Transportation, Inc., at an estimated annual amount of \$953,080, subject to change per Miami Dade County Living Wage rate adjustments, not to exceed the budgeted available funds.

The Chief Procurement Officer recommends accepting the Evaluation Committee's recommendation to award the Trolley Operations Services contract to MV Transportation, Inc.
