A Resolution by the City Commission of Coral Gables, Florida, Authorizing City Staff to Consider Sea Level Rise Adaptation in their Discretionary Decisions, Directing Staff to Initiate the Process for Amending the City's Comprehensive Plan as Necessary to Contemplate the Anticipated Implications of Sea Level Rise, and Encouraging Community Associations, Institutions, and Governments to Develop, Adopt, and Fund Sea Level Rise Preparedness Policies and Programs.

(Sponsored by Mayor Valdes-Fauli)

In furtherance of prior Commission action relating to the concerns surrounding sea level rise, this resolution directs City Staff to incorporate sea level rise concepts and considerations in approval processes and also to incorporate them into the City's Comprehensive Plan.

This follows Resolution No. 2016-223 where the Commission formally approved a white paper that laid out an overview of various sea level rise adaption policy options as well as some legal considerations and implications surrounding those policy options.
