---

Congratulations to Matthew R. Anderson who holds the title of Sustainability and Resilience Manager, recipient of the "Employee of the Month Award," for the month of June 2022.

The nomination was submitted by Solanch Lopez, Assistant to the City Manager, who stated the following:

“Matt's dedication to sustainability and the City of Coral Gables is beyond measure. He is always looking to identify new projects, awards or standards that the city can embark on that will increase standing and environmental impact. Examples of this can be seen through the city's selection in the LEED for Cities Certification and Florida Race to Zero Co-hort program. Matt has also been an invaluable partner in the Keep Coral Gables Beautiful program. His knowledge and openness to new projects and ideas have helped the program grow exponentially in just two years. He is a very hard worker and very deserving.”
