**NEW BUSINESS:**

**Mr. Jim Berlin - Chair, Senior Advisory Board - To Discuss Parks Referendum**

Mr. Berlin addressed Board regarding parks master plan and seeks Board's assistance to obtain commissioners approval to place this referendum on the ballot. Mr. Berlin stated by this being placed on ballot it would assure there be a fixed plan for parks and have the monies put aside for it.

Mr. Berlin asked if Board was familiar with the referendum and proceeded to provide information of same. Mr. Berlin advised it would be approximately \$160,000,000 of funding, which would be utilized in the updating, maintaining, and creating of existing and new parks. Mr. Berlin provided information regarding data gathered from surveys, studies and other actions used to identify priorities of this plan.

Mr. Zuriarrain provided further information regarding the Parks & Recreation Master Plan and this request. Mr. Zuriarrain also provided financial information regarding this issue.

Ms. Palacio stated one of the important things is how to best inform the community of what this referendum is about and how the monies requested will be utilized. Mr. Berlin advised this master plan has detailed sections specifically providing information of what the needs are and the specific cost for each. Mr. Berlin stated this master plan was created taking into consideration the recommendations of the community which participated in various ways providing ideas, suggestions and needs.

Mr. Sando asked regarding how getting this issue on a referendum works. Mr. Berlin stated it would have to be initiated by the Commission, approving it to be placed on ballot for the community to vote for it.

Mr. Sando asked if there was specific language for this referendum available and Mr. Berlin explained at this time there is not. Mr. Berlin stated this is part of a four-to-five-month preparation, doing a lot of communicating with residents, obtain support from boards to compose specific wording for the referendum. Mr. Berlin advised he is seeking support from boards so that this can be reviewed by commission again.

Ms. Elejabarrieta stated Commission recently determined not to do forward with this referendum. Mr. Zuriarrain stated Commission has already approved Parks Master Plan and this will be completed over a length of time, however, if this referendum approved by voters, securing monies in place, which can be drawn from as needed, will expedite completion of project in a much shorter time frame.

Ms. Liebl shared suggestions regarding how to further promote project and need for referendum. Mr. Zuriarrain provided information of all the efforts conducted to better communicate the effects of this proposed referendum including a place where residents can obtain information to how much this would affect them monetarily.

Mr. Berlin stated the residents need to be informed and let commissioners know their need and desire to go forth with this project and referendum. Mr. Berlin stated they will be addressing other boards as well seeking their support. Ms. Elejabarrieta advised this project is available for viewing and review on the City's website.

Ms. Palacio stated Board is in support of this effort.

#### **Signage Transportation System (Decals) - Ms. Palacio**

Ms. Palacio stated she received information from a family, resident of Coral Gables, which was traveling abroad and came across various signage while using public transportation which she felt could be adopted here. Ms. Palacio stated one of the decals was on public transportation system which states *"Offer your seat. Please look up and check if someone needs a seat more than you. Remember not all disabilities are visible"*. Ms. Palacio stated she believes these types of decals will provide further awareness. Ms. Elejabarrieta stated Mr. Kevin Kinney, Director of Parking, can be invited to upcoming advisory board meeting to further address this. Mr. Berlin asked was their information regarding how honest people were expressing their need for a seat because of an invisible disability. Palacio stated for her it is just providing more awareness.

Ms. Milne expressed she believes this is a great idea and the last wording regarding *"Not all disabilities are visible"* can be utilized in many other ways throughout the city.

Mr. Sando spoke of his personal experiences and how he believes this type of signage would be beneficial. Mr. Sando stated perhaps utilizing this slogan as well in other areas.

Ms. Palacio expressed perhaps utilizing the slogan *"Not all disabilities are visible"* as an umbrella campaign as it pertains to other areas such as transportation, bathrooms, etc., throughout the city.
