The Police Department has determined a need exists to maintain the Eaton backup power equipment for the City's primary and secondary 911 dispatch centers, network data center, and replace three end-of-life UPS units at public safety radio sites. Eaton Corporation is the creator, and manufacturer of the Eaton Uninterruptible Power Supply (UPS); and Earth Power Solutions, Inc. is an authorized representative for Eaton.

The cost to acquire replacement equipment and maintenance services will be in an estimated amount of \$104,776.

Section 2-689 of the Procurement Code, entitled "Sole Source Procurement" authorizes an award without competitive bids when there is only one source available to fulfill the needs of the City

That the City Commission accepts the recommendation and authorizes the City Manager to enter into a purchase and service agreement with Earth Power Solutions, Inc., in an amount not to exceed the available budget and to cover on-going maintenance needs pursuant to Section 2-689 of the City's Procurement Code.
